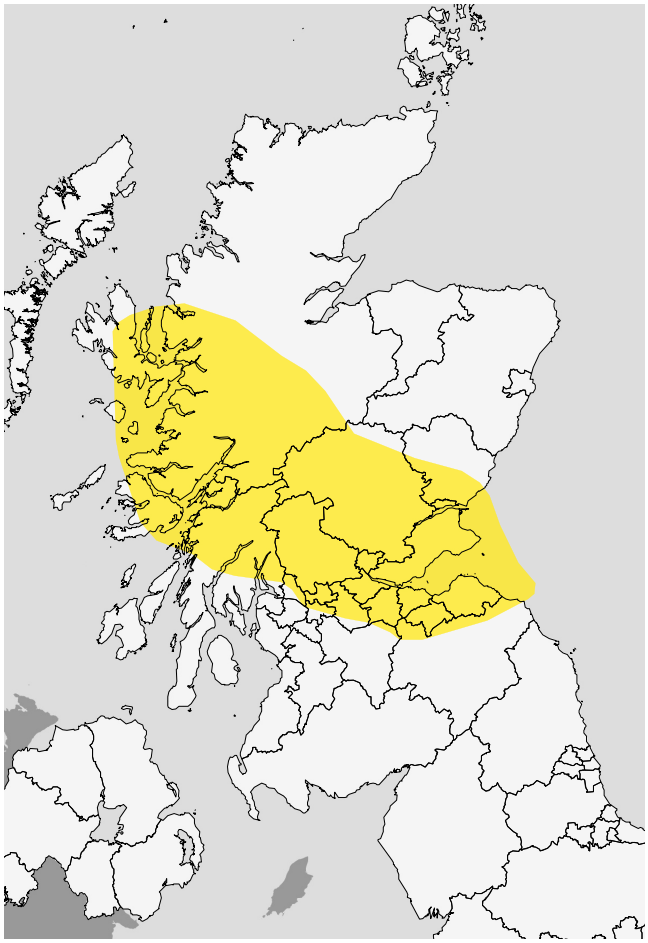
Yellow warning
Rain

Between
11:00 Mon 5 Jul 2021 and
23:59 Mon 5 Jul 2021



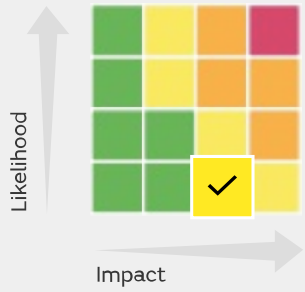
Heavy slow moving showers will give a risk of flooding today and this evening.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Heavy, occasionally thundery, slow moving showers this afternoon and evening will potentially give 10-20 mm in a couple of hours. These will most likely occur over central and western Scotland through the day, becoming confined to the northwest of Scotland by the evening. Where heavy showers do break out, this could lead to some transport disruption and the potential for localised flooding.



Very low likelihood of medium impacts
